Програма  
Соціального  
Партнерства

**Burshtyn  
Local Economic Development Agency is a  
non-political, nonprofit organization  
that makes a significant contribution to  
the sustainable growth of the welfare of  
communities on the basis of public-private  
partnerships and social responsibility**

Агенція Місцевого  
Економічного Розвитку  
м. Бурштина

## I. Development of business environment

Support for entrepreneurship, using of financial instruments of business development and information and education campaigns to increase jobs and self-employed individuals

## II. Support for community initiatives.

The implementation of projects aimed at solving pressing social issues of the community.

## **III. Improving energy efficiency of the town.**

Reducing energy consumption and costs of services for heating by implementing energy saving projects for the social and communal infrastructure objects

- Co-operate with institutions, organizations, grant-giving institutions, businesses and public authorities;
- Improve business infrastructure;
- Introduce financial mechanisms to support the business;
- Organize educational activities;
- Prepare project applications and manage projects;
- Promote youth initiatives;
- Promote implementation of the Strategy of Social Partnership DTEK and Burshtyn.

## **Microcredit Foundation -**

provides repayable financial assistance for business development in Burshtyn and in the region, which promotes new jobs creation.

## “Self-made Town” -

project is aimed at enhancing the local community to implement projects to solving actual issues for the city in the social sphere, energy saving, town infrastructure etc. The project itself is the micro grant competition for active groups of citizens.

## Youth Business of Ukraine

To help young people aged 18 to 35 who want to start their own business but do not have the funds and opportunities to use the services of banking and / or other financial systems of Ukraine.

## Summer / winter camps for children - organization of children's leisure with foreign volunteers and learning English with their help

## Affordable heat -

opportunity to implement energy saving measures in their own home or apartment by using bank loans as a source of funding

**10 years passed...**
